OUR WINE

A taste of place, history and tradition are captured in our wine ranges.

Our wines have been recognised worldwide for creating and redefining the measure of New Zealand wines. Attracting strong and consistent critical acclaim, they are handcrafted using classical techniques. As a result our wines are complex, pure and true to region and type. They flourish with food and produce dazzling results when cellared.

WINE CAVE

An authentic and unforgettable experience.

Visiting New Zealand's largest Wine Cave on one of our wine tasting tours is a must-do activity to experience wine in Central Otago. Stretching 50 metres deep within the hillside, the walls are lined with traditional oak barrels that are full of our aging Pinots and Chardonnay. Our Wine Cave is a unique and intimate venue which can also host up to 60 guests for private events.

OUR VINEYARDS

Located in the Gibbston and Bendigo sub-regions, and with 65 hectares of planted vines, our sites are complex, concentrated and balanced.

GIBBSTON SUB-REGION

Cooler in climate and late to ripen, Gibbston is home to our original Home Block Vineyard planted by Alan Brady in 1983. This site was recently certified organic by BioGro New Zealand. High-quality fruit are produced and used in several of our single vineyard varietals including Le Dulcinée Gewürztraminer, Le Fou Riesling and Le Maître Pinot Noir.

Our close-planted Glenlee Vineyard is also located in Gibbston, on what was once a sheep station. Wines from this site are intense, lifted and delicately spiced. This fruit is used in our single vineyard Glenlee Pinot Noir.

BENDIGO SUB-REGION

Sprawled across low slopes and high terraces, our Bendigo vineyards include Red Shed, Ardgour, China Terrace and School House. Fruit from our lower-elevation Red Shed and Argour sites is robust, fruit-driven and inherently Central Otago. We showcase fruit from our higher-altitude China Terrace and School House vineyards in our premium single vineyard varietals.

Fruit from our China Terrace Vineyard is used in our Single Vineyard China Terrace Pinot Noir and Chardonnay. Both wind swept and remote, our Ardgour Vineyard is a site for both Pinot Noir and Pinot Gris. Gravelly and warm, our Red Shed East and West Vineyards ripen early and create ravishing flavours and ripe acidity for its Pinot Blancs and Rieslings.

CHEESERY & DELI

A range of cheeses from the land we love.

Housed in the Old Winery, the Cheesery and Deli features a full tasting and retail area, with dedicated, knowledgeable staff ready to give samples and cut cheese to order. In doing so, we illustrate how our land is indispensable to our products, and what our craft does to bring the best out of land and place.
