FIRST FLOOR

Comfort, light and location

3/9 Nihill Crescent, Mission Bay

What is there not to love?

This property provides location and a sunny north/east aspect, together with a contemporary look and feel. Spread across two floors, the top floor features the heart of the home with an open plan kitchen, dining and lounge with balcony that exudes light and warmth.

The home has been newly professionally renovated with fresh internal painting and upgraded carpet, light fixtures and kitchen appliances. The lower level includes a single garage, laundry, and office with plenty of additional storage. Double glazed windows throughout the home add to the sense of comfort and warmth.

A must view for professionals, first home owners and downsizers.
